INDEPENDENT AUDITOR'S REVIEW REPORT

To the Shareholders Damaan Islamic Insurance Company "BEEMA" (Q.P.S.C.) Doha – Qatar

Introduction

We have reviewed the interim statement of financial position of Damaan Islamic Insurance Company "BEEMA" (Q.P.S.C.) (the "Company") as at 31 March 2023 and the related statements of policyholders' revenues and expenses, policyholders' surplus, shareholders' income statement, changes in shareholders' equity and cash flows for the three-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with the Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI"). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed financial information is not prepared, in all material respects, in accordance with the Financial Accounting Standards issued by AAOIFI.
